Hawaiian Monk Seal Body Parts

If you see me on the beach, I am probably taking a nap. Please let me sleep and keep yourself and any pets at least 150 feet away. Call the Monk Seal Sighting's Hotline: 220-7802 to let NOAA know where I am. Remember, I may look cute, but I am a wild animal and I may bite if I am disturbed. Please give me the space that I need to survive. Mahalo!!!
