

MEET OUR FRIENDS

Hi! I'm a **HAWAIIAN MONK SEAL**. I live only in Hawaii and I am an endangered species.

Hi! I'm a **SPINNER DOLPHIN**. I'm called a "spinner" because I leap and spin in the air!

Hi! I'm a **HAWAIIAN GREEN SEA TURTLE**. I am a threatened species and I bask on the beach.

Hi! I am a **HUMPBACK WHALE**. Every year I travel about 3,000 miles between Alaska and Hawaii!

Thank you for doing your part to help us!

Sea Creature FUN!

FUN FACTS ABOUT THE OCEAN

- 1 The oceans cover 3/4 of the earth's surface.
- 2 Of the total amount of water on earth, less than 2% is freshwater, the rest is saltwater!
- 3 The Earth has one big ocean with many ocean basins, such as the North Pacific, South Pacific, North Atlantic, South Atlantic, Indian and Arctic.
- 4 Marine debris, or beach litter and derelict fishing gear from humans, poses a great threat to all marine life.
- 5 The ocean is also home to marine mammals and reptiles who unlike fish, need air to breathe!
- 6 The ocean is important to all life on earth so we should all take care of it!

ANSWERS TO PUZZLES
