

NATIONAL MARINE FISHERIES SERVICE

Monthly Recreational/Non-Commercial Fisheries Talk Story at Pier 38

Wednesday, December 11, 2013
11am – 1pm

(SPACE IS LIMITED TO 50 PEOPLE)

Please join us to share information and ideas with NOAA Fisheries staff. The emphasis will be on non-commercial fishing issues, but any topic relevant to local shoreline and boat-based fisheries is important. As these meetings develop, we may highlight particular issues and bring in NOAA scientists and managers to present information and field questions.

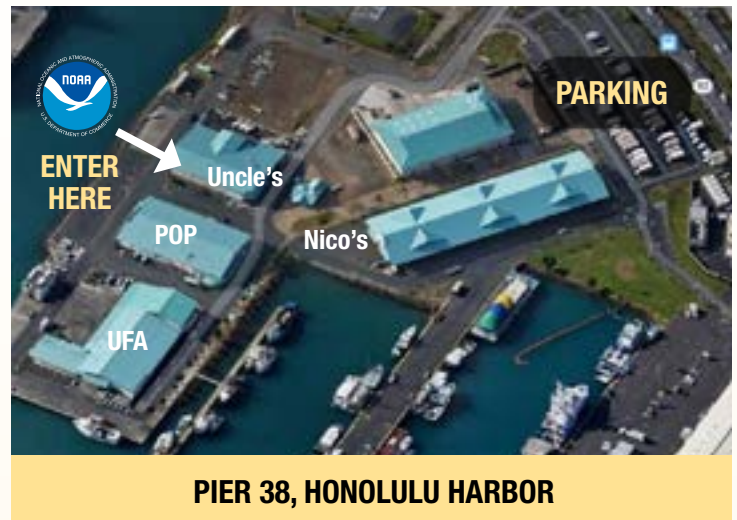

This is your chance to contribute to improving non-commercial fisheries in Hawaii and throughout the Pacific Islands Region.

Meetings will typically be held from 11am to 1pm on the SECOND WEDNESDAY of each month.
